All We Need (feat. Shy Girls)

ODESZA

This is not a tactic to expose you babe I'm just trying to see you in your moment baby No this is not a tactic to expose you babe I'm just, I'm just trying to see youI could be down on it You could be all we need I could be down on it You could be all we needI was thinking you and I could Skip the part where we small talk each other Turn the beat up, turn it real loud Turn the beat up, turn it real loud Hold me to my word this time I'm gonna take another ride Call me on my bitter side Call me on my cell at night Take it to the limit babe Don't ask me to commit a thing If no one gets hurt, what was it worth What was it worth, what was it worthI could be down on it You could be all we need I could be down on it You could be all we need Just wanna fast forward Just wanna fast forward Just give me the damn controllerJust wanna fast forward Song Discussions is protected by U.S. Patent 9401941.
