Sorry (Remix, Pt. 2) [feat. Future]

Ciara

All I wanna say... Girl I wanna say...

I'm saying that I'm sorry...Ooh ooh, ooh, oohAugust 4th, we were chilling at the house Said I'm done, I told you to get out

Didn't mean a word that I said

Cause I was hoping you would come backCause I tried and tried

And I cried and cried

Up late at night and I hurt

And I tried to fight and I cried to god

Oh please let it just work

And I'm going crazy with you

You got me so confused

Cause you walked away, and I walked away

And we should've stayed baby

All you have to do is say that I'm sorry

Baby I'm sorry

And I'm in love with you

Baby I want this, baby I want this

Say baby I'll do what it takes

And I will be here all the way baby

All you have to do is say that I'm sorry

Baby I'm sorryYou wanna know if I was moving on without you

I miss you, miss you, miss you, I miss you

To tell the truth i've thinking bout you lately

I miss you, miss you, miss you, I miss youChristmas day, you said you had a ring

But you changed your mind

Too caught up in the streets

Boy your truth is hard to believe

Why are you really scared of me

Cause I tried and tried

And I cried and cried

Up late at night and I hurt

Cause I put in mine, I worked all the time

And you never put in your work

And I'm going crazy with you

You got me so confused

Cause you walked away, and I walked away

And we should've stayed baby

All you have to do is say that I'm sorryBaby I'm sorry

And I'm in love with you

Baby I want this, baby I want this

Say baby i'll do what it takesAnd I will be here all the way baby

All you have to do is say that I'm sorry Baby I'm sorry

You wanna know if I was moving on without youI miss you, miss you, miss you, I miss you

To tell the truth i've thinking bout you lately

I miss you, miss you, I miss you

I miss the way you hold meThe way you touch me

I miss the way you kiss me yeah

All you have to do is say that I'm sorryBaby I'm sorry

And I'm in love with you

Baby I want this, baby I want this

Say baby i'll do what it takes

And I will be here all the way baby

All you have to do is say that I'm sorry

Baby I'm sorry

You know I think about you sometimes

I wonder how you are

Are you happy

You see I know

What we had was special

And I know you know it too

I miss you

I really miss you...
