

Late Night (feat. Juicy J)

Trey Songz

Your boy Juicy J, yeah
Y'all know what it is
Better hide your girl, man, we looking for her I ain't the type of nigga thinking 'bout
relationships
I be on that late night shit
They going crazy for the DJ when he play this shit
They be on that late night shit
One o'clock, two o'clock, three o'clock, four
Five o'clock, six o'clock, you can hit your boy
If you ain't the type of bitch talking 'bout relationships
Hit me up, hit me up on that late night shit
On that late night shit, on that late night shit
Hit me up, hit me up on that late night shit
(We on that) on that late night shit
(We on that) on that late night shit (we on that)
Hit me up, hit me up on that late night shit Is this all for me? It's finna be a great night
A lot of fish in the sea, I'm feeling like a great white
Girl, you got a face like oh, oh
Might wanna see you in the daytime, oh, oh
If the money don't sleep, I ain't tryna close my eyes for a second
You come first, I come second 'Bout to give you this blessin', finna teach you this lesson
Get you out of that dress and I don't know nothing 'bout affection What's up? If you wanna
spend some time Baby, you know when the club is over, over
I'mma let you know ahead of time
Baby, I
I ain't the type of nigga thinking 'bout relationships
I be on that late night shit
They going crazy for the DJ when he play this shit
They be on that late night shit
One o'clock, two o'clock, three o'clock, four
Five o'clock, six o'clock, you can hit your boy
If you ain't the type of bitch talking 'bout relationships
Hit me up, hit me up on that late night shit
On that late night shit, on that late night shit Hit me up, hit me up on that late night shit
(We on that) on that late night shit
(We on that) on that late night shit (we on that)
Hit me up, hit me up on that late night shit All my dawgs so gon' let a dawg on
One night stand, you wake up, I'm long gone
Girl, quit playing, Juicy J can't be your man
No discussion, bitch, fiddling, fucking then toss you with the bands
She ratchet, Dirty Diana, doing anything to get on that camera
Straight shot trying to get her Instagram up

On the internet getting niggas jammed up
 Know your type the only thing I'm spending with you is the night
 Turn you out and if the face looking right I might hit it twice Drill the chick after the club and
 then I sent her back
 Might as well work at least the way she give me cab
 She throwing that like a quarterback
 Call me Warren Sapp, I tackle that
 Hit me when I'm in your town, I'm smashing that I ain't the type of nigga thinking 'bout
 relationships
 I be on that late night shit They going crazy for the DJ when he play this shit
 They be on that late night shit
 One o'clock, two o'clock, three o'clock, four
 Five o'clock, six o'clock, you can hit your boy If you ain't the type of bitch talking 'bout
 relationships
 Hit me up, hit me up on that late night shit On that late night shit, on that late night shit
 Hit me up, hit me up on that late night shit
 (We on that) on that late night shit
 (We on that) on that late night shit (we on that) Hit me up, hit me up on that late night shit
 Hit a nigga up if you 'bout that life
 Let's get fucked up, yeah, bring your girls
 Ending up on that tub, but for now we on in this club
 My hands all on your butt
 You grabbing all on my what?
 He can say, she can say, baby let 'em talk about it
 You know like I know that they don't know about us
 You know like I know you wanna give me your love
 You know like I know so baby tell me what's up?
 What's up? If you wanna spend some time
 Baby, you know when the club is over, over
 I'mma let you know ahead of time
 Baby, I
 I ain't the type of nigga thinking 'bout relationships
 I be on that late night shit
 They going crazy for the DJ when he play this shit
 They be on that late night shit
 One o'clock, two o'clock, three o'clock, four
 Five o'clock, six o'clock, you can hit your boy
 If you ain't the type of bitch talking 'bout relationships
 Hit me up, hit me up on that late night shit
 On that late night shit, on that late night shit
 Hit me up, hit me up on that late night shit
 (We on that) on that late night shit
 (We on that) on that late night shit (we on that)
 Hit me up, hit me up on that late night shit
