Now this is a story about my girlfriend Mary Jane,
(Mwaa hahahaha Mwaaa hahahah!)
You ready mini me?? Okaay, Hello, Mary Jane, I can't get you off my brain
Take me higher then a crane
You're so sweet like sugarcane (cane)(I'll keep on flyin...) Mary Jane! Mary, Mary, quite contrary
Girl you must be my fairy
You give me wings like a canary
Mary Jane I love you dearly!
I always want you near me
You make me see clearly like
Jimmy spliff, I mean, Jimmy Cliff! Mary Jane I love you so, I wont ever let you go
Mary Jane I need you so, I wont ever let you go
Mary Jane I love you so, I wont ever let you go
Mary Jane I need you so, I wont ever let you go Load it, twist it, light it up
Load it, twist it, light it up
Load it, twist it, light it up (Mwaaa hahahahahha!)
