Dreaming

BT

No words, no talk
We'll go dreaming
No pain, no hurt
We'll go dreamingWalk with me, the future's at hand
Here with us, here where we stand
We both know the power of pain
We get back up and start it againWith new hope

No place for tears

Leave behind those frozen years

Come with me and we'll go dreamingWe don't know how it can be Searching our dignity

Nothing can be as savage as love

One taste is never enough

With new hope

No place for tears

Catch my hand and come with me

Close your eyes and dreamWalk with me, the future's at hand

Here with us, here where we stand

We both know the power of pain

We get back up and start it againWith new hope

No place for tears

Leave behind those frozen years

Come with me and we'll go dreamingWe don't know how it can be

Searching our dignity

Nothing can be as savage as love

One taste is never enough

With new hope

No place for tears

Catch my hand and come with me

Close your eyes and dreamNo words, no talk

We'll go dreaming

No pain, no hurt

We'll go dreamingNo words, no talk

We'll go dreaming

No pain, no hurt

We'll go dreaming
