

# And I (feat. Kirk Franklin)

## Mary Mary

There's a name so powerful words can't describe  
When spoken demons tremble  
And all creation must bow down[b-  
Awesome are your ways  
Everyday the same  
And majesty is your name And i/give you all my worship  
And i/wanna sing your praise  
And i/long to honor you more than yesterday  
There is not any other who can compare  
To your word your life  
Your love's ultimate sacrifice[b-  
You're everything no one else can be  
You filled every space that was empty  
Lord you are everything to me
