

I'm Sleeping In a Submarine

Arcade Fire

She's gone to sea
She's fighting for me
What bravery! I'm sleeping in a battle ship
I'm sleeping in a submarine
I'm sleeping in a fighter plane
I'm sleeping going down the drain
Anti-aircraft guns
Have more fun
In the sun
All hands on deck
The radio address
What a mess!
A cage is a cage
is a cage is a cage
