

# Swish Swish (feat. Nicki Minaj)

Katy Perry

They know what is what  
But they don't know what is what  
They just strut  
What the fuck? A tiger  
Don't lose no sleep  
Don't need opinions  
From a shellfish or a sheep  
Don't you come for me  
No, not today  
You're calculated  
I got your number  
'Cause you're a joker  
And I'm a courtside killer queen  
And you will kiss the ring  
You best believe  
So keep calm, honey, I'ma stick around  
For more than a minute, get used to it  
Funny my name keeps comin' outcho mouth  
'Cause I stay winning  
Lay 'em up like Swish, swish, bish  
Another one in the basket  
Can't touch this  
Another one in the casket Your game is tired  
You should retire  
You're 'bout cute as  
An old coupon expired  
And karma's not a liar  
She keeps receipts  
So keep calm, honey, I'ma stick around  
For more than a minute, get used to it  
Funny my name keeps comin' outcho mouth  
'Cause I stay winning  
Lay 'em up like Swish, swish, bish  
Another one in the basket  
Can't touch this  
Another one in the casket  
Swish, swish, bish  
Another one in the basket  
Can't touch this  
Another one in the casket They know what is what  
But they don't know what is what  
(Katy Perry)

They just know what is what  
(Young Money)  
But they don't know what is what  
They just know what is what  
But they don't know what is what  
They just strut  
Hahaha, yo  
What the fuck? Pink Ferragamo sliders on deck  
Silly rap beefs just get me more checks  
My life is a movie, I'm never off set  
Me and my amigos (no, not Offset)  
Swish swish, aww I got them upset  
But my shooters'll make 'em dance like dubstep  
Swish, swish, aww, my haters is obsessed  
'Cause I make M's, they get much less  
Don't be tryna double back  
I already despise you  
All that fake love you showin'  
Couldn't even disguise you  
Ran? When? Nicki gettin' tan  
Mirror mirror who's the fairest bitch in all the land?  
Damn, man, this bitch is a Stan  
Muah, muah, the generous queen will kiss a fan  
Ass goodbye, I'ma be riding by  
I'ma tell my nigga Biggz, yeah that's tha guy  
A star's a star, da ha da ha  
They never thought the swish god would take it this far  
Get my pimp cup, this is pimp shit, baby  
I only rock with Queens, so I'm makin' hits with Katy  
Swish, swish, bish  
Another one in the basket  
Can't touch this  
Another one in the casket  
They know what is what  
(Do they know?)  
But they don't know what is what  
They just know what is what  
But they don't know what is what  
They just know what is what  
But they don't know what is what  
They just strut  
What the...
