

Devil Inside Me (feat. KARRA)

KSHMR & Kaaze

[Chorus]

You got me losing off my innocence
With every look my eyes so very can't
My heart it goes
Oh baby you bring out the devil inside me
And when you sing you'll use a lullaby
You take me [?] paradise
When you get close
Oh baby you bring out the devil inside me[Pre-drop]
Bring out the devil inside me[Drop]
Devil inside me
Devil inside me

[Verse]

Losing myself in all the things you do
Visions that we could rule the world
The valleys through the mountaintops, oh
Heaven or hell, it's all the same to you
Promise me this will never die
Holding on for life[Chorus]
You got me losing off my innocence
With every look my eyes so very can't
My heart it goes
Oh baby you (oh baby you) bring out the devil inside me
And when you sing you'll use a lullaby
You take me [?] paradise
When you get close (when you get close)
Oh baby you (oh baby you) bring out the devil inside me
[Pre-drop]

Hey hey hey heya heya
Hey hey hey heya heya
Hey hey hey heya heya
The devil inside me
Hey hey hey heya heya
Hey hey hey heya heya
Hey hey hey heya heya
The devil inside me
The devil inside me[Drop]
Devil inside me
Devil inside me
Hey hey hey heya heya
Hey hey hey heya heya
Hey hey hey heya heya

Devil inside me
