

When Two Are One

Atreyu

BANG!

Explosions in my head that just won't quit
A train has crashed into the wall around my heart and left the old me dead
Obliterated STOP!

My breathing in the night when you're not there
The silence ringing through my ears and all I want to do is hear your voice
But you're not there Drawn Together

Painter's brush stroke
Sleight of hand we
We won't go up in smoke

Fates colliding
Love undying
Like the rising tide
Beating hearts grow but never die

To simplify
I'll stand by your side
Close my eyes
Hope will never die Like the rising tide
Beating hearts grow but never die

To simplify
I'll stand by your side
Close my eyes
Hope will never die GO!
And take away the pain of being me
Soothe my soul caress my heart and
end my fear all my bad memories

Eradicated
RING!

Like gunshots heard against a silent night
My love is louder than these words They're stronger than the rest, unstoppable
Unstoppable

Drawn together
Painter's brush stroke
Sleight of hand we
We won't go up in smoke Fates colliding

Love undying
Like the rising tide
Beating hearts grow but never die

To simplify
I'll stand by your side Close my eyes
Hope will never die
Like the rising tide

Beating hearts grow but never die
To simplify
I'll stand by your side
Close my eyes
Hope will never die
Will never die
(Intermission)
Drawn together
Painter's brush stroke
Sleight of hand we
We won't go up in smoke
Fates colliding
Love undying
Like the Rising tide
Beating hearts grow but never die
To Simplify
I'll stand by your side
Close my eyes
Hope will never die
Like the Rising tide
Beating hearts grow but never die
To Simplify
I'll stand by your side
Close my eyes
Hope will never die
Will never die
Die
