

Unraveling

Cory Asbury

I'm coming apart at the seams
And everyone's pulling at me
And I am unraveling
This smile isn't quite what it seems
But it does well to hide what's beneath
Where the pressure is staggering
In the unraveling
Father unravel me
When I can't feel a thing
Have mercy and let me bleed
I know it's dumb
But I have been numb
For way too long
And oh, oh, oh
And oh, oh, oh, oh
So goodbye now, yellow brick road
Thanks a lot what I need is back home
So homeward I'm traveling
And in the unraveling
Father unravel me
When I can't feel a thing
Have mercy and let me bleed
I know it's dumb
But I have been numb
For way too long
And oh, oh, oh
And oh, oh, oh, oh
I don't wanna be alone anymore
I don't wanna survive anymore
And I wanna feel, unravel me
Yeah I'm coming apart at the seams
It's worse than I thought it would be
But I've never been happier
