

Unholy

Miley Cyrus

[Chorus]

I'm a little drunk, I know it

I'ma get high as hell

I'm a little bit unholy

So what? So is everyone else

I'm a little drunk, I know it

I'ma get high as hell

I'm a little bit unholy

So what? So is everyone else[Verse]

Wake up in the middle of a breakdown, yeah, uh

Have sex on the table with the takeout (Uh)

I'm sick of the faking, the using, the taking

The people calling me obscene

You hate me, you love me, you just wanna touch me

I'm only trying to get some peace

So let me do me

[Chorus]

I'm a little drunk, I know it

I'ma get high as hell

I'm a little bit unholy

So what? So is everyone else (Hey)

I'm a little drunk, I know it

I'ma get high as hell

I'm a little bit unholy

So what? So is everyone else[Post-Chorus]

So what? So is everyone else

So what? So is everyone else[Chorus]

I'm a little drunk, I know it

I'ma get high as hell

I'm a little bit unholy

So what? So is everyone else

[Post-Chorus]

So what? So is everyone else

So what? So is everyone else

Yeah
