

# Sideways

## Dierks Bentley

Hey girl, what's your name?  
It's so loud in here I can't hear a thing,  
But I sure do like your style,  
And I can see you came to rock  
In your blue jeans and white tank top;  
Man that look drives me wild. And it's hey now here we go.  
DJ don't you play nothing slow  
Keep those girls out on the floor  
Gotta make them want to come back for more.  
Been here since the sun went down,  
Be here when it comes back around  
Worked all week it's time to play  
Gonna get a little bit  
Sideways  
Ain't no need to fight  
Y'all take that redneck stuff outside  
That's what parking lots are for.  
Once you're out you ain't coming back  
The velvet rope ain't got no slack.  
Man they're busting down the door! And it's hey now here we go  
DJ don't you play nothing slow  
Keep those girls out on the floor  
Gotta make 'em wanna come back for more.  
Been here since the sun went down  
Be here when it comes back around  
Worked all week it's time to play  
Gonna get a little bit sideways...  
Sideways. That's right  
Hey now here we go  
(hey now here we go)  
DJ don't you play nothing slow  
Gotta make 'em wanna (what?)  
Gotta make 'em wanna (what?)  
Gotta make 'em wanna come back for more Hey now here we go  
DJ don't you play nothing slow  
Keep those girls out on the floor  
Gotta make 'em wanna come back for more  
Been here since the sun went down  
Be here when it comes back around  
Worked all week it's time to play  
Gonna get a little bit sideways (na na na na na)...  
Sideways... sideways... sideways Hey girl what's your name?

It's so loud in here I can't hear a thing
