Rocket Man

Little Big Town

[Verse 1]
She packed my bags last night, pre-flight
Zero hour: 9:00 a.m
And I'm gonna be high as a kite by then
I miss the Earth so much, I miss my wife
It's lonely out in space
On such a timeless flight[Chorus]
And I think it's gonna be a long, long time
'Til touchdown brings me 'round again to find
I'm not the man they think I am at home
Oh no, no, no! I'm a rocket man
Rocket man! Burning out his fuse up here alone
[Verse 2]
Mars ain't the kind of place to raise your kids
In fact, it's cold as hell
And there's no one there to raise them if you did
And all this science I don't understand
It's just my job five days a week
Rocket man! Rocket man![Chorus]
And I think it's gonna be a long, long time
'Til touchdown brings me 'round again to find
I'm not the man they think I am at home
Oh no, no, no! I'm a rocket man
Rocket man! Burning out his fuse up here aloneAnd I think it's gonna be a long, long time
'Til touchdown brings me 'round again to find
I'm not the man they think I am at home
Oh no, no, no! I'm a rocket man
Rocket man! Burning out his fuse up here alone
[Outro]
And I think it's gonna be a long, long time
(And I think it's gonna be a long, long time)
And I think it's gonna be a long, long time
(And I think it's gonna be a long, long time)
And I think it's gonna be a long, long time
(And I think it's gonna be a long, long time)
And I think it's gonna be a long, long time
(And I think it's gonna be a long, long time)
And I think it's gonna be a long, long time
(And I think it's gonna be a long, long time)
And I think it's gonna be a long, long time
(And I think it's gonna be a long, long time)
And I think it's gonna be a long, long time
