## **Gotta Be Somebody**

## **Nickelback**

This time, I wonder what it feels like
To find the one in this life, the one we all dream of
But dreams just aren't enough
So I'll be waiting for the real thing, I'll know it by the feeling
The moment when we're meeting, will play out like a scene
Straight off the silver screen

So I'll be holding my breath, right up 'til the end Until that moment when, I find the one that I'll spend forever withCause nobody wants to be the last one there

> Cause everyone wants to feel like someone cares Someone to love with my life in their hands There's gotta be somebody for me like that Cause nobody wants to go it on their own

And everyone wants to know they're not alone There's somebody else that feels the same somewhere

There's gotta be somebody for me out thereTonight, out on the street, out in the moonlight
And dammit this feels too right, it's just like de ja vu

Me standing here with youSo I'll be holding my breath, could this be the end? Is it that moment when, I find the one that I'll spend forever withCause nobody wants to be the last one there

Cause everyone wants to feel like someone cares Someone to love with my life in their hands There's gotta be somebody for me like that

Cause nobody wants to go it on their ownAnd everyone wants to know they're not alone
There's somebody else that feels the same somewhere

There's gotta be somebody for me out thereYou can't give up, (when you're looking for) a diamond in the rough (cause you never know)

When it shows up, (make sure you're holding on)

Cause it could be the one, the one you're waiting on

Cause nobody wants to be the last one there

And everyone wants to feel like someone cares

Someone to love with my life in their hands

There's gotta be somebody for me, oh

Nobody wants to go it on their own

And everyone wants to know they're not alone

There's somebody else that feels the same somewhere

There's gotta be somebody for me out there

Nobody wants to be the last one there

Cause everyone wants to feel like someone cares

There's somebody else that feels the same somewhere

There's gotta be somebody for me out there
