We'll Be Coming Back (feat. Example)

[Calvin Harris](#)

Standing in the light till it's over
Out of our minds
Someone had to draw a line
We'll be coming back for you one day
We'll be coming back for you one dayI don't even care if I know you
Out of our minds
Got to leave it all behind
We'll be coming back for you one day
We'll be coming back for you one dayStanding in the light
Standing in the light
We'll be coming back
coming back
coming back
coming back
coming back
coming back
coming back
coming back
coming back
coming back
coming back
coming back
coming back
coming back
coming back
coming back
coming
Standing in the lightWe took it all apart
But I'm wishing I'd stayed
In the back room something I heard you say
We didn't want to call it too early
Now it seems a world away
But I miss the thing, are we ever gonna feel the same?Standing in the light till it's over
Out of our minds
Someone had to draw a line
We'll be coming back for you one day
We'll be coming back for you one day
I don't even care if I know you
Out of our minds
Got to leave it all behind
We'll be coming back for you one day
We'll be coming back for you one dayStanding in the light

Standing in the lightWe'll be coming back
coming back
coming back
coming back
coming back
coming back
coming back
coming back
coming back
coming back
coming back
coming back
coming back
coming back
comingWe'll be coming back for you one day
