

I Found a True Love

Buddy Guy

I found a true love, indeed
Oh and it's good to me
I said I found a true love
Man and it's good to me
Yes, and what I'm going to do with it
I want the whole wide world to stop still, and they will see You know the women don't like her
'Cause this little girl she'll speak of mine
I say the women don't like her, uhu yeah yeah
'Cause this little girl she'll speak of mine
You know the women all pay the bottom
'Cause my baby, she takes her time
You know she winked a eye
At a cab when he passed by
Yes I said my baby winked a eye, yeah
At a cab when he passed by
Oh you know that man blocked of his traffic
Man, for solid country mile I found a true love, indeed
Oh and it's good to me
I said I found a true love indeed
Oh and how good it is to me
I want the whole round world to stand still
Baby and take a good look at it for me You know the women don't like her, uhu
'Cause the little girl she'll speak of mine
I say the women don't like her
'Cause this little girl she'll speak of mine
You know the man are crazy about her
'Cause my baby takes her time
Alright
Somebody better come and look for it You know she winked a eye
At a cab when it passed by
I said my baby winked a eye, yes
At a cab when he passed by
Well you know this cab blocked of the traffic man
Wow, you know for country mile That's my baby
