

CamelPhat & Jake Bugg

When you're dressing up
Still it's not enough
Who you tryna impress man
Needy for some love
Here to be someone
Tryna be someone
You're caught up in the past
I'll show you living fast
You're talking talking but ain't walking
I can't help but laugh
Here to be someone
Tryna be someone
Money and the cars
Don't make you a star
But all you got is talk and you're looking kinda lost
Here to be someone
Tryna be someone
Here to be someone
Tryna be someone
Here to be someone
(Be someone, be someone, be someone)
(Be someone, be someone, be someone, be someone)
Here to be someone
Here to be someone
Tryna be someone
Here to be someone
When you're dressing up
Still it's not enough
Who you tryna impress man
Needy for some love
Here to be someone
Tryna be someone
You're caught up in the past
I'll show you living fast
You're talking talking but ain't walking
I can't help but laugh
Here to be someone
Tryna be someone
Here to be someone
Tryna be someone
Here to be someone
Tryna be someone
Here to be someone
Tryna be someone
Here to be someone
Tryna be someone
Here to be someone

Tryna be someone
