

# I'm Not Who I Was

Brandon Heath

I wish you could see me now  
I wish I could show you how  
I'm not who I was I used to be mad at you  
A little on the hurt side too  
But I'm not who I was I found my way around  
To forgiving you some time ago  
But I never got to tell you so I found us in a photograph  
I saw me and I had to laugh  
You know, I'm not who I was  
You were there, you were right above me  
And I wonder if you ever loved me  
Just for who I was When the pain came back again  
Like a bitter friend it was all that I could do  
To keep myself from blaming you I reckon it's a funny thing  
I figured out I can sing  
Now I'm not who I was I write about love and such  
Maybe 'cause I want it so much  
I'm not who I was I was thinking maybe I  
I should let you know that I am not the same  
But I never did forget your name, hello  
Well the thing I find most amazing  
In amazing grace is the chance to give it out  
Maybe that's what love is all about I wish you could see me now  
I wish I could show you how  
I'm not who I was
