

Island Song

Zac Brown Band

Anybody here, pass me a beer
And I'm a keep playing this music that you hear
And if you know the song, then come and sing along with me
Walking with the beach to my left, sea to my right
And I'm gonna get faded at the tiki bar tonight
Then I'm a roll one up, like my name is Bob, yea
I'm a party like I'm a Jamaican
If you really wanna know, where you can find me
I'll be unwinding
Down in the islands, down in the islands
The ocean, lose track of your timing
Grab a drink beside me
Down in the islands, down in the islands
And Anybody here, pass me the rum
Then we can find somebody that can play the steel drums
And if you like the speed, then everybody dance with me
We got the ladies to the left, the fellas to the right
And everybody's faded at the tiki bar tonight
Then we're all gonna dance to the rhythm of the waves
While we drink Bacardi by the bon fire flames
If you really wanna know where you can find me
I'll be unwinding
Down in the islands, down in the islands
The ocean, lose track of your timing
Grab a drink beside me
Down in the islands, down in the islands
You don't need, no invitation no
If you're looking for relaxation
Get away, get away with me
Make your destination, my location
If you really wanna know where you can find me
I'll be unwinding
Down in the islands, down in the islands
The ocean, lose track of your timing
Grab a drink beside me
Down in the islands, down in the islands
If you really wanna know where you can find me
I'll be unwinding
Down in the islands, down in the islands
The ocean, lose track of your timing
Grab a drink beside me
Down in the islands, down in the islands
