They Can't Take That Away from Me

Kristin Chenoweth

The way you wear your hat The way you sip your tea The memory of all that No no, they can't take that away from me The way your smile just speaks The way you sing off key The way you haunt my dreams No no, they can't take that away from me We may never Never meet again on the bumpy road to love But I'll always Always keep the memory of The way you hold your knife The way we dance til 3 The way you'ved changed my life No no, they can't take that away from me No, they can't take that away From me We may never Never meet again on the bumpy road to love Still I'll always Always keep the memory of The way you hold your knife The way we dance til 3 The way you'ved changed my life No no, they can't take that away from me No, they can't take that away No, they can't take that away
