

# Forever

## LFO

Now I've always said that love  
Was nothing more than a waste of my time  
I've always thought I'd be above these feelings  
Always seem to mess with my mind  
I said you'd never catch me in the corner of my room  
Gazing at a picture of you  
And now that all don't mean nothin' cuz everytime i  
Think about thinkin' girl  
I'm thinkin' of you

(chorus)

And forever, for the rest of my life  
Through it all girl  
I'll be right by your side  
I'll give my heart baby  
I'll give you my mind  
I'll be the one that brings the joy to your life  
And if you're willing girl  
Just give me the chance  
And I promise I will be a good man  
And forever, for the rest of my life  
I'll be right by your side  
And now the love you give to me  
Is sweeter than the sprinkles  
On the top on mama's apple pie  
I know you know I'm in love  
When you're staring at the sparkle  
That appears in the corner of my eye  
You don't have to worry 'bout it  
No, the things that I said before  
Because I'm so in love

And there ain't nothin' gonna stop it now  
I'd bet it on the moon and the stars in the sky above  
(chorus)

And forever, for the rest of my life  
Through it all girl  
I'll be right by your side  
I'll give my heart baby  
I'll give you my mind  
I'll be the one that brings the joy to your life  
And if you're willing girl  
Just give me the chance  
And I promise I will be a good man

And forever, for the rest of my life  
I'll be right by your side  
I never thought that it could happen to me  
That I could fall in love  
I can't believe it baby  
But I can see that you're,  
You are the only one I'm thinkin' of  
It doesn't matter baby  
I don't really care no more  
As long as we're together  
Baby I'll be right there  
I won't go nowhere  
I want your love forever

(chorus)

And forever, for the rest of my life  
Through it all girl  
I'll be right by your side  
I'll give my heart baby  
I'll give you my mind  
I'll be the one that brings the joy to your life  
And if you're willing girl  
Just give me the chance  
And I promise I will be a good man  
And forever, for the rest of my life  
I'll be right by your side

(chorus)

And forever, for the rest of my life  
Though it all girl  
I'll be right by your side  
I'll give my heart baby  
I'll give you my mind  
I'll be the one that brings the joy to your life  
And if you're willing girl  
Just give me the chance  
And I promise I will be a good man  
And forever, for the rest of my life  
I'll be right by your side  
(repeat chorus to fade)
