

# There Goes My Life

Kenny Chesney

All he could think about was  
I'm too young for this  
Got my whole life ahead  
Hell I'm just a kid myself  
How 'm I gonna raise one  
All he could see were his dreams  
Goin' up in smoke  
So much for ditchin' this town  
And hangin' out on the coast  
Oh well, those plans are long gone  
And he said  
"There goes my life  
There goes my future, my everything  
Might as well kiss it all goodbye  
There goes my life"  
A couple years of up all night and  
Few thousand diapers later  
That mistake he thought he made  
Covers up the refrigerator  
Oh yea, he loves that little girl  
Mamma's waitin' to tuck her in  
As she fumbles up those stairs  
She smiles back at him  
Draggin' that teddy bear, sleep tight  
Blue eyes and bouncin' curls  
He smiles  
"There goes my life  
There goes my future, my everything  
I love you Daddy, good night  
There goes my life"  
She had that Honda loaded down  
With Abercrombie clothes  
And fifteen pairs of shoes  
And his American Express  
He checked the oil, slammed the hood  
Said, "You're good to go"  
She hugged 'em both  
And headed off to the West Coast  
And he cried  
"There goes my life  
There goes my future, my everything  
I love you, Baby, goodbye"  
There goes my life  
There goes my life  
Baby goodbye  
Baby goodbye  
There goes my life
