

Teach Me Tonigh (feat. Everette Harp)

Jeffrey Osborne

Another mornin', you are on my mind
Takin' up my time through all the day
I try control, every chance I see
Always you with me, that's in my dreams You give me fever, love, I can't explain
Fire uncontained, what is this, girl?
I try to fight, but I never win
Seems I just give in to your embrace But oh, you try so hard not to say
Oh, all the things you do to me and girl, oh
Oh, my love can't be concealed, girl, you know the deal
Baby, stay with me tonight At my apartment, you've come to the door
Quarter after four a.m hello
We start to kiss, ooh we start to neck
You know what comes next and you love it, girl
But oh, what we have it feels so good
Oh, and we both knew that it would and girl
Oh, the feeling is so right, please come hold me tight
Baby, stay with me tonight 'Cause you give me special joy
Oh, make me feel just like a schoolboy, girl
Oh, give me feelings of delight
Please turn out the light Baby, stay with me tonight, 'cause I love you
You know I really do love you, girl
It's been my innermost fantasy
To share [Incomprehensible] to give my love to you through the night You call me crazy,
maybe that is true
But what can I do? I love you, girl
You got me movin', movin' left and right
Deep within the night, come here, my dear
You give me fever, love I can't explain
Fire uncontained, what is this, girl?
I try to fight, but I never win
Seems I just give in to your embrace But oh, oh I pray you never leave
Oh, 'cause my heart would surely grieve so, girl
Oh, and you know I would not lie, girl, you are my pride
Baby, stay with me tonight 'Cause you give me special joy
Oh, make me feel just like a schoolboy, girl, oh
Oh, the feelin' is so right, please come hold me tight
Baby, stay with me tonight
Need you by my side, oh baby, stay with me tonight Oh, baby stay with me tonight
Oh baby, oh baby baby baby, yeah
I want to run my fingers through you head
[Incomprehensible]

Stay with me tonight
