

Yesterday I Heard the Rain

Tony Bennett & Alejandro Sanz

Yesterday I heard the rain
Whispering your name
Asking where you'd gone It fell softly from the clouds
On the silent crowds
As I wandered on Out of doorways black umbrellas
Came to pursue me
Faceless people as they passed
Were looking through me
No one knew me
Esta tarde de llover, vi gente correr y no estabas tú
El otoño ví llegar, al mar oí cantar y no estabas tú
Yo no sé cuanto me quieres, si tú me extrañas o me engañas
Pero yo sólo sé que ví llover, ví gente correr y no estabas tú
Yesterday I saw a city full of shadows without pity
And I heard the steady rain whispering your name
Whispering your name Y no estabas tú
