

Wisemen

James Blunt

She said to me, "Go steady on me.
Won't you tell me what the Wisemen said?
When they came down from Heaven
Smoked nine 'til seven
All the shit that they could find
But they couldn't escape from you
Couldn't be free of you
And now they know there's no way out
And they're really sorry now for what they've done
They were three Wise Men just trying to have some fun." Look who's alone now
It's not me. It's not me.
Those three Wise Men
They've got a semi by the sea.
Got to ask yourself the question
Where are you now?
Got to ask yourself the question
Where are you now? Really sorry now
They weren't to know.
They got caught up in your talent show
With you pernickety little rascals in your fancy dress
Who just judge each other and try to impress
But they couldn't escape from you
Couldn't be free of you
And now they know there's no way out
And they're really sorry now for what they've done
They were three Wise Men just trying to have some fun.
Look who's alone now
It's not me. It's not me. Those three Wise Men
They've got a semi by the sea. Got to ask yourself the question
Where are you now?
Got to ask yourself the question
Where are you now? Look who's alone now
It's not me. It's not me.
Those three Wise Men
They've got a semi by the sea.
Got to ask yourself the question
Where are you now?
Got to ask yourself the question
Where are you now?
Where are you now?
Where are you now?
Got to ask yourself the question

Where are you now?
Got to ask yourself the question
Where are you now?
