

# Man the Ramparts

## Botch

We'll man the ramparts.  
with arrows ready.  
with our flags up.  
we are the romans.  
nero. We'll man the ramparts.  
with arrows ready.  
with our flags up.  
we are the romans.  
nero.  
We'll man the ramparts.  
with arrows ready.  
with our flags up.  
we are the romans
