

# Take Me to the World (with Antonio Banderas)

Barbra Streisand

Let me see the world with clouds  
Take me to the world  
Out where I can push through crowds  
Take me to the world A world that smiles  
With streets instead of aisles  
Where I can walk for miles with you Take me to the world that's real  
Show me how it's done  
Teach me how to laugh, to feel  
Move me to the sun Just hold my hand whenever we arrive  
Take me to a world where I can be alive HIM: The world is better here. I know I've seen them  
both. Let me see the world that smiles  
HIM: A poet doesn't count for much out there  
Take me to the world  
HIM: We'd be cold and hungry in the winter  
Somewhere I can walk for miles  
HIM: A shabby room with cracked plaster  
Take me to the world  
HIM: You couldn't get a job  
With all around things growing in the ground HIM: We'd end up hating each other.  
We'd have fights. You'd cry.  
Where birds that make a sound are birds  
Let me see the world that's real HIM: I have seen the world  
Show me how it's done  
HIM: And it's mean and ugly  
Teach me how to laugh, to feel  
HIM: We could laugh together  
Move me to the sun  
HIM: Stay here with me  
Just hold my hand whenever we arrive  
HIM: Stay here. I love you. But we're happy here  
Let it be a world with you  
HIM: Stay with me  
Any other world with you  
Take me to a world where I can be alive (Antonio Banderas:)  
Do you want the world?  
Well then, you shall have the world  
Ask me for the world again  
You shall have the world A world of skies  
That's bursting with surprise  
To open up your eyes for joy We shall see the world come true  
We shall have the world  
I won't be afraid with you

We shall have the world  
You'll hold my hand and know you're not alone You shall have the world to keep  
Such a lovely world you'll weep  
We shall have the world forever for our own
