I'm Broken

Pantera

I wonder if we'll smile
In our coffins while
Loved ones mourn the day the absence of our face
Living, laughing, eyes awake
Is this too much for them to take?Too young for ones conclusion
The lifestyle won
Such values you taught your sonThat's how
Look at me nowI'm broken
Inherit my life
I'm broken
One day we all will die
Clichéd fact of life
Force fed to make us heed
Inbred to sponge our bleed
Every warning, a leaking rubber
A poison apple for mingled bloodToo young for ones delusion
The lifestyle cost
Venereal mother, embrace the lossThat's how
Look at you nowYou're broken
Inherit your life
You're brokenThat's how
Look at us now
I'm broken
Inherit my life
I'm broken
That's how
Look at me now
I'm broken
I'm broken
I'm broken
I'm broke... uh!
