

Breakup 2 Makeup (Remix) [feat. Black Child]

Ashanti

I saw you again for the first time
Been a long time
He brought out all these feelings
That I never knew I had inside
Seeing you with another girl
It didn't sit me with me too well
And I'm mad at myself 'cause I love you
And with or without you I'm goin' through hell
I don't think that I could shake ya
So baby, can we make up (Yeah)
I know that this is kind of crazy (Baby)
But baby, I wanna make up
I don't think that I could shake ya
So baby, can we make up (I don't think I could shake
ya, baby)
I know that this is kind of crazy (Crazy)
But baby (But baby), I wanna make up
I never knew that I could love you
How I love you
I thought that I was through wit' you
So glad that I could be single
Now I'm gone thinkin' 'bout the past
And wish that we could just go back
And I'm mad at myself 'cause I love you
And I really want you to come on back
I don't think that I could shake ya (Yeah)
So baby, can we make up up (Oh, I want you to come back
to me bad)
I know that this is kind of crazy (Hey, yeah)
But baby, I wanna make up (Hey, yeah)
I don't think that I could shake ya (Ooh... ooh...)
So baby, can we make up
I know that this is kind of crazy (I don't think I
could shake ya, baby)
But baby (Hey, yeah), I wanna make up
I don't know if I'm crazy
But all pain and the heartache you gave me
Finally made me
Wanna get back wit' you, oh... oh... oh...
You held her hand the way you held mine
You felt her, uh, the way you felt mine
And all the fightin' that we went through
See, I was already used to it
I don't think that I could shake ya
(Hey... ey... hey... ey...)
So baby, can we make up
I know that this is kind of crazy (Crazy)
But baby (Yeah), I wanna make up (I wanna make up wit'
you, babe)
I don't think that I could shake ya (I don't think I

could shake ya, babe)
So baby, can we make up (Ooh)
I know that this is kind of crazy (Oh, oh, oh)
But baby (Baby), I wanna make up I don't think that I could shake ya (What did you do)
So baby, can we make up (Ooh, you got me missin' you)
I know that this is kind of crazy
But baby, I wanna make up (Ooh) I don't think that I could shake ya (Ooh)
So baby (Baby), can we make up (Break up)
I know that this is kind of crazy (Crazy)
But baby (Baby), I wanna make up Oh...
La-la-la-la-la I don't know what you did to me, boy
But I want you so
Come back now or I'll go crazy, crazy
Crazy, crazy
