The Boss

Diana Ross

Fancy me

Thought I had my degree

In life and how love

Ought to be a runI had a one step plan to prove it

Guide in my pocket for fools

Folly and fun

Love had to show me one thingI was so right

So right

Thought I could turn emotion

On and off

I was so sure

So sure (I was so sure)

But love taught me

Who was who was the boss

(Taught me who was who was the boss)

I'd defy

Anyone who claimed that I

Didn't control whatever moved in my soul

I could tempt

Touch delight

Just because you fell for me

Why should I feel uptight

Love had to show me one thing: I was so right

So right

Thought I could turn emotion

On and off

I was so sure

So sure (I was so sure)

But love taught me

Who was who was the boss

(Taught me who was who was the boss)

Love taught me

Taught me

Taught me

Taught meI was so right

So right

Thought I could turn emotion

On and off

I was so sure

So sure (I was so sure)

But love taught me

Who was who was the boss
