Can You Do This

Aloe Blacc

Grab your shotgun, cock it back
Shoot the sun until the sky is black
Now I sure hope that the sun got rhythm
Cause he gonna dance when that music hit 'em
Like bang, bang, bang
Darkness falls
In the night time, I'm camouflage
Now I, I, I, I don't know who you are
But girl I wanna know if you can move like this
And I, I, I, I don't know if you're gonna tell me but I wanna know what you name is
And you gonna make me fall in love with you with you keeping shaking your hips
Now can you do this? Yeah, I can do that
Can you do this? Yeah, I can do that
Can you do this? Yeah, I can do that
Can you do this? Yeah, I can do that
I know you think that you can move
But can you groove the way I groove?
Grab your sling shot, fire the stone
Shoot the moon until the night is gone
Now I sure hope that moon got rhythm
Cause he gonna rock when my stone hit 'em
Like boom, boom, boom
Let me shine
He should know that the day is mine
Now I, I, I, I don't know who you are
But girl I wanna know if you can move like this
And I, I, I, I don't know if you're gonna tell me but I wanna know what your name is
And you gonna make me fall in love with you with you keeping shaking your hips
Now can you do this? Yeah, I can do that
Can you do this? Yeah, I can do that
Can you do this? Yeah, I can do that
Can you do this? Yeah, I can do that
I know you think that you can move
But can you groove the way I groove?
Now why you standing on the wall?
Did you come to dance at all?
I'm watching you girl watching me
If you got moves then let me see
Can you do this?
Can you do this lady?
Can you do this?
Can you move like I do?

Can you do this?
Can you shake, shake it mama?
Can you do this?
Can you work it on out?
Can you do this? Yeah, I can do that
Can you do this? Yeah, I can do that
Can you do this? Yeah, I can do that
Can you do this? Yeah, I can do that
I know you think that you can groove
But can you move the way I move?
