

Save It for Me (feat. Chris Brown)

Yo Gotti

Lord we come to you asking you for the strength and the guidance to
be man enough to protect our children till the day that we die Amen
Devotion to that higher ground is day by day slowly fading it's like
we can't hear the sound so I gotta reiterate it he sending all over
the world now we need to start makin' changes the light is covered up
by the clouds and my life's constantly raining but when I think about
the things you've done for me and how you made me see,
truthfully I ain't gon' do you wrong no
don't let no one of us go because I know (
) nobody's gonna save me (save me) gonna save me (save me) from
the sins I've done (sins I've done) nobody's gonna save me (save me)
gonna save me (save me) cause it's all my fault (it's all my fault)
nobody's gonna save me (save me) gonna save me (save me) from the
belief I've lost nobody's gonna save me (save me) gonna save me
(gonna save me) so I'm prayin' to you God (prayin' to you God) (
2) It's not safe to say it's over now we're here and I see
little bodies laying on the ground it coulda been your baby is
someone gonna help us out they need some food to eat but there'll be
brighter days when we'll be saved the Lord will send blessings but
when I think about the things you've done for me and how you made me
see, truthfully I ain't gon do you wrong
no don't let no one of us go because I know (
) nobody's gonna save me (gonna save me) gonna save me (gonna
save me) from the sins I've done (done) nobody's gonna save me
(nobody's gonna save me) gonna save me (yeaaah) cause it's all my
fault (fault) nobody's gonna save me (save me) gonna save me (save
me) from the belief I've lost (oohooooohoooh) nobody's gonna save me
(save me) gonna save me (save me) so I'm prayin to you God (prayin to
you God) [David Banner] Every step that we take from this day on lord
we both hope that it's one in your direction (save me) so take this
song (save me) as a token of our affection
(oohooooohoooh) we both apologize, and love (save me)
