

# Stray Away

## The Colourist

I know we just met, but I fear what's to come of us  
If I continue to fall for you  
And I know I can't judge from the past  
But I fear this won't last and I'll be alone again I don't want to fall in love  
I don't want to fall in love  
I don't want to fall in love  
But I fear it's too late to let love stray away It's always good from the start  
But after time what will come of us  
If I continue to fall for you  
And I know I can't judge from the past  
But I fear this won't last and I'll be alone again I don't want to fall in love  
I don't want to fall in love  
I don't want to fall in love  
But I fear it's too late to let love stray away  
And I fear it's too late to let love stray away  
And I fear it's too late to let love stray away  
And I fear it's too late to let love stray away  
So I guess I'll take the chance  
And the chance is if we take it slow  
You'll be the last one I'll love
