

Alternative Ulster (2002 Remastered Version)

Stiff Little Fingers

There's nothin' for us in Belfast
The Pound's old and that's a pity
OK, there's the Trident in Bangor
And then you walk back to the city
We ain't got nothin' but they don't really care
They don't even know you know
They just want money
And we can take it or leave it
What we need is

(Chorus:)

An Alternative Ulster
Grab it and change it it's yours
Get an Alternative Ulster
Ignore the bores and their laws
Get an Alternative Ulster
Be an anti-security force
Alter your native Ulster
Alter your native land Take a look where you're livin'
You got the Army on the street
And the RUC dog of repression
Is barking at your feet
Is this the kind of place you wanna live?
Is this where you wanna be?
Is this the only life we're gonna have?
What we need is
(Chorus) They say they're a part of you
And that's not true you know
They say they've got control of you
And that's a lie you know
They say you will never be
