Diana

One Direction

DianaThe front pages are your pictures,
They make you look so small,
How could someone not miss you at all?Oh-ah-ohI never would mistreat ya,
Oh I'm not a criminal,
I speak a different language but I still hear your call.Diana,
Let me be the one to light a fire inside those eyes,
You've been lonely,
You don't even know me,
But I can feel you crying,
Diana,
Let me be the one to lift your heart up and save your life,
I don't think you even realize baby you'd be saving mine.
(Oh-oh)DianaIt's only been four months but
You've fallen down so far.
How could someone mislead you at all?Oh-ah-ohI wanna reach out for you,
I wanna break these walls,
I speak a different language but I still hear you call.Diana,
Let me be the one to light a fire inside those eyes,
You've been lonely,
You don't even know me,
But I can feel you crying,
Diana,
Let me be the one to lift your heart up and save your life,
I don't think you even realize baby you'd be saving mine.
We all need something,
This can't be over now,
If I could hold you,
Swear I'd never put you downDiana,
Let me be the one to light a fire inside those eyes,
You've been lonely,
You don't even know me,
But I can feel you crying,
Diana,
Let me be the one to lift your heart up and save your life,
I don't think you even realize baby you'd be saving mineOh-ah-oh
Diana,
Oh-ah-oh-oh-oh-oh-oh-oh
Diana
Baby, you'd be saving mine
Oh-ah-oh
Diana,
Oh-ah-oh-oh-oh-oh-oh-oh

Diana,
Baby, you'd be saving mine
