

Drop It Down Like (feat. Rachel Kramer)

Lady Bee

We'll make it hot right now
Gravity is tight
Drop it down like water
Oh yeah
We'll make it hot right now
Gravity is tight
Drop it down like water
Like water
Just let it go right now
Oh, gravity is tight
Oh, drop it down like water
Like water
Just let it go right now
Oh, gravity is tight
Oh, drop it down like water
Like water Drop it down like
Oh
Oh
Oh
Gravity is tight
Oh
Oh
Oh
Down like water
Oh
Oh
Oh
Gravity is tight
Drop it down like water
Oh yea
We'll make it hot right now
Gravity is tight
Drop it down like water
Like water
Just let it go right now
Oh, gravity is tight
Oh, drop it down like water
Like water
Just let it go right now
Oh, gravity is tight
Oh, drop it down like water
Drop it down like

Oh
Oh
Oh
Gravity is tight
Oh
Oh
Oh
Gravity is tight
