

Circle Dance (Live from Soundstage)

Stevie Nicks

I don't know why it should be so hard
Givig up this circle dance
Worn out steps from long ago
Don't give love a chanceIt's a bitter heirloom handed down
These twisted parts we play
I'm just turn out that wayCan't go back to make things right
Though I wish I'd understood
Time has made things clearer now
We did the best we could
I'll be home soon, that's what you'd say
And a little kid believes
After a while I learned that love
Must be a thing that leavesI tried so hard just to hold you near
Was as good as I could be
And even when I had you here
You stayed so far from meCan't go back to make things right
Though I wish I'd understood
Time has made things clearer now
We did the best we couldNow that this has occurred to me
Well, I wanted you to know
I've been too faithfull all my life
It's time to let you go
Can't go back to make things right
Though I wish I'd understood
Time has made things clearer now
We did the best we couldAnd it's time to let you go
It's time to let you go
