

# One More Last Chance

Vince Gill

GIVE ME ONE MORE LAST CHANCE  
She was standing at the front door  
when I came home last night  
with a Good Book in her left hand  
and a rolling pin in her right  
she said you'd come home for the last time  
with the whiskey on your breath  
if you don't listen to my preaching boy  
I'm gonna have to beat you half to death  
Give me just a one more last chance  
before you say we're through  
I know I drive you crazy baby  
it's the best that i can do  
were just some good ol boys  
a making noise  
I ain't runnin around on you  
Give me just a one more last chance  
before you say we're through  
first she hit my glasses  
because ya know that I can't see  
she said you ain't going nowhere boy  
til you spend a little time with me  
then the boys called from the honky tonk  
said there's a party going on down here  
well she might have took my car keys  
but she forgot about my old John Deere  
Gimme just a one more last chance  
before you say we're through  
I know I drive you crazy baby  
it's the best that i can do  
were just some good ol boys  
making noise  
I ain't runnin round on you  
Gimme just a one more last chance  
before you say we're through  
SOLO  
Gimme just one more last chance  
before you say we're through  
I know I drive you crazy baby  
it's the best that I can do  
were just some good ol boys  
making noise  
I ain't runnin around on you  
Gimme just a one more last chance

before you say we're through give me just one more last chance  
before you say we're through
