Always On Time

Ja Rule

Always there when you call always on time
Gave you my... baby be mine
Always there when you call always on time
Gave you my... babyBaby I'm not always there when you call but I'm always on time
And I gave you my all now baby be mine
I'm not always there when you call but I'm always on time
And I gave you my all now baby be mineC'mon and get a piece of this late-night lover
You know the one that swing dick like no other (shit)
I know I got a lot of things I need to explain
But baby you know the name and love is about pain
So stop the complaints and drop the order restraints
Our sex life's a game so bat me down in the paint
'Cause I can't wait no more
'Cause it's about a quarter-past three and shorty is eyein me
I got the Bentley valeted
And I'm just outside of Jersey, past the Palisades
And I love to see that ass in boots and shades
Hold down on the bed while I'm yankin your braids
Thug style, you never thought I'd make you smile
While I'm smackin your ass and fuckin you all wild
But we share somethin so rare, but who cares, you care
Baby I'm not always there when you call but I'm always on time
And I gave you my all now baby be mine
I'm not always there when you call but I'm always on time
And I gave you my all now baby be mine
Girl get a grip c'mon pull it togetherIt's only a sunshower we been through worse weather like
The stormy nights you wrote a "Dear Ja" letter and took my Benz and keyed and cut the leather
Bitch you know better we live M-O-B
Money Over Bitches Murder I-N-C
I got two or three hoes for every V
And I keep 'em drugged up off that ecstasy
I'm a playground legend like Kirkland Pee-wee
Name a nigga in the league got more game than me
I play hard there's so many women I fathered
Meet 'em with scars and send 'em home hot and bothered
Truth or dare this life ain't apparently fair
And a love with no glare is a crystal stare
But we share somethin so rare but who cares you care
Baby I'm not always there when you call but I'm always on timeAnd I gave you my all now baby be mine
I'm not always there when you call but I'm always on time
And I gave you my all now baby be mine

Oh I'm, feelin like ya livin a double life
'Cause you don't be comin home, sometimesBaby but you're always on time checkin for one time
You and I got a special bond together
We go back like bombers boo in the coldest weather
And when I play you play the same way you freak me baby I fuck you crazy then I'm gone
Baby don't really want me to get up and leave off that easy
She'll be wakin up wet for sheezy
Remind these bitches to mind they business
Believe me this pimp game is very religious
And I'm built like the Don Bishop
Gon' keep this money-green Benz and my hoes as my witness
The life we share is a thug affair
But who cares you careBaby I'm not always there when you call but I'm always on time
And I gave you my all now baby be mineI'm not always there when you call but I'm always on timeAnd I gave you my all now baby be mineAlways there when you call always on time
Gave you my... baby be mine
Always there when you call always on time
Gave you my... baby be mine
