

Silence Must Be Heard

Enigma

Look into the others eyes, many frustrations
Read between the lines, no words just vibrations
Don't ignore hidden desires
Pay attention, you're playing with fire Silence must be heard, noise should be observed
The time has come to learn, that silence Silence must be heard
Or diamonds will burn, friendly cards will turn
'Cause silence has the right to be heard People talk too much for what they have to say
Words without a meaning, they're fading away Silence must be heard, noise should be observed
The time has come to learn, that silence Silence must be heard
Or diamonds will burn, friendly cards will turn
'Cause silence has the right to be heard
Silence must be heard
Silence must be heard
Silence must be heard
Silence
Silence must be heard
