

# Property (feat. Keke Palmer)

TK Kravitz

I put hearts under your pictures  
Just to let them niggas know I'm still here (let 'em know)  
We been broke up for awhile for some time  
I don't know how to feel (let 'em know)  
I see you got a new nigga  
But that nigga ain't me (no)  
I know that pussy worth a million  
Don't give it for free (cha ching)  
You looking at me like don't say that (why?)  
But I gotta keep it real  
We go way back (for real)  
Why play games when we grown?  
You see me textin' your phone  
I'm not used to being alone  
I guess I gotta figure this shit out  
He said "he yours"  
Tell that nigga "watch his mouth" (for real)  
I don't play about you (I don't)  
I don't play about you  
I don't play about you (I don't)  
I don't play about you (whoa)  
I feel like you my property  
I feel like you my property (yeah, yeah, yeah)  
I feel like you my property (let 'em know)  
I feel like you my property (yeah, yeah, yeah)I put hearts under your picture  
Just to let them bitches know I'm still here  
Yeah I know that we broke up over nothing  
Let it go, that was last year (last year)  
Checking on me, think you know something  
No more telling stories 'cause you in your feelings  
Lookin' at you like "why you say that?"  
'Cause when I saw you with her  
You ain't say shit  
I don't play about you (I don't)  
I don't play about you  
I don't play about you (I don't)  
I don't play about you (whoa)  
I feel like you my property  
I feel like you my property (yeah, yeah, yeah)  
I feel like you my property (let 'em know)  
I feel like you my property (yeah, yeah, yeah)Don't take it wrong  
Don't take it wrong

This is where you 'posed to be  
Where you 'posed to be  
Don't take it wrong  
Don't take it wrong  
But this is where you 'posed to be  
Where you 'posed to be  
I know I fucked up  
I know I fucked up  
But this is where you 'posed to be  
Where you 'posed to be  
I know I fucked up  
I know I fucked up  
But this is where you 'posed to be (let em know) See I don't play about you (I don't)  
I don't play about you  
I don't play about you (I don't)  
I don't play about you  
I feel like you my property  
I feel like you my property (yeah, yeah, yeah)
