Blue Moon Revisited (Song for Elvis)

Cowboy Junkies

La, la, la La, la, la

La, la, laI only want to say

That if there is a way

I want my baby back with me

'Cause he's my true love my only one don't you see? And on that fateful day

Perhaps in the new sun of May

My baby walks back into my arms

I'll keep him beside me forever from harm

You see I was afraid

To let my baby astray

I kept him too tightly by my side

And then one sad day he went away and he diedBlue moon, you saw me standing alone

Without a dream in my heart

Without a love of my ownBlue moon, you knew just what I was there for

You heard me saying a prayer for

Someone I really could care for

I only want to say

That if there is a way

I want my baby back with me

'Cause he's my true love my only one don't you see?
