

# Lil Freak (feat. Nicki Minaj)

Usher

Ay, girl, yeah, you the business  
So what the business?  
Don't be shy, I'm just talking to you, girl  
Aye, ma, yo, where your man at?  
I know you got that  
'Cause you too fine to be single out here, girl  
He at home but he done fucked up  
I swooped his girl up  
And what I'm about do to you, he'll feel I did him wrong  
'Cause I'm about to have a menage with his lady  
And some freaks at the bar who like fucking with a star  
I told her...  
If you're coming with me, really coming with me  
You go get some girls and bring them to me  
If you're coming with me, really coming with me  
You let her put her hands in your pants, be my little freak  
Be my little freak, be my little freak  
You let her put her hands in your pants, be my little freak  
If you're coming with me, really coming with me  
You let her put her hands in your pants, be my little freakHey, girl, I see you like that  
You getting excited  
And you rocking like a pro with it, girl  
By the way, you got right on that  
With the chick you wanted  
And now you in the corner, kissing on a girl  
I'm about to have a menage with these here ladies  
Look at those freaks at the bar, yeah, they looking for a star  
If you're coming with me, really coming with me  
You go get some girls and bring them to me  
If you're coming with me, really coming with me  
You let her put her hands in your pants, be my little freak  
Be my little freak, be my little freak  
You let her put her hands in your pants, be my little freak  
If you're coming with me, really coming with me  
You let her put her hands in your pants, be my little freakExcuse me, little mama, but you could  
say I'm on duty  
I'm looking for a cutie, a real big old ghetto booty  
I really like your kitty cat, and if you let me touch her  
I know you're not a bluffer, I'll take you to go see Usher  
I keep a couple hoes, like Santa, I keep a vixen  
Got that Dasher, Dancer, Prancer, Dixon, Comet, Cupid, Donner, Blitzen  
I'm hotter than a hundred degrees

A lot of bread, no sesame seeds  
If I'm in your city, I'm signing them tig-ole-bitties  
I'm plotting on how I can take Cassie away from Diddy  
The girls want a Minaj, yeah, they wetter than a rainman  
Usher, buzz me in, everybody loves Raymond If you're coming with me, really coming with me  
You go get some girls and bring them to me  
If you're coming with me, really coming with me  
You let her put her hands in your pants, be my little freak  
Be my little freak, be my little freak  
You let her put her hands in your pants, be my little freak  
If you're coming with me, really coming with me  
You let her put her hands in your pants, be my little freak
