

Official Girl (feat. Lil Wayne)

Cassie

I miss you, girl, I miss you, girl
I'ma make you my official girl Listen, today makes it a year
Don't you think it's time that you made it clear?
You've gotta get on your biz
Tell me what it ain't or what it is, I can handle it I've had it up to here
I don't wanna pressure you, dear
I've sent back-to-back dudes away from my door
Thinking I was spoken for, not anymore And I'm tired, I'm tired, I'm tired
Of being your, your unofficial girl, unofficial girl
And I'm tired, I'm tired of trying
Ooh, but I'm still your, your unofficial girl
You gotta love me in the light and the dark
You gotta give me, give me all of your heart
I wanna be your, be your official girl, official girl Said I wanna, wanna, wanna be your official
girl
I wanna be your official girl
I wanna be your official girl, official girl, official girl If you keep this up there's bound to be a
mess
? Cause I ain't really like the rest
Put to the test I could surely pass, yeah
You better do the math I'm so stylish, so bossy
It'd be a shame to say you lost me
But if you want that, it's a wrap
And I won't look back and I won't look back And I'm tired, I'm tired, I'm tired
Of being your, unofficial girl, unofficial girl
And I'm tired, I'm tired of trying
Oh, I'm still your unofficial girl, unofficial girl
You gotta love me in the light and the dark
You gotta give me, give me all of your heart
I wanna be your, be your official girl, official girl Said I wanna, wanna, wanna be your official
girl
I wanna be your official girl
I wanna be your official girl, official girl, official girl
(Said I wanna be yours, yeah) Shawty said she wanna be my official
Bang bang, dame took an old pistol
Ain't no violence, ain't no silence
'Cause she scream to the top of her, when I get on top of her Soundin' like an opera, skip, jump,
hop in her
Got her feelin' popular, get her feelin' like she's
She's my official girl, yeah you so special, girl
I never dis you and I'll kiss you on your little pearl I know you know like that baby, yeah you
like that baby

I know I could make you come right back baby, oh!
(Said I wanna be yours, yeah)
Official girl I miss you girl, I miss you girl
I'ma make you my official girl
You better act right
I'm two seconds from being out the door I miss you girl, I miss you girl
I'ma make you my official girl
Said, I won't be with you unofficially anymore
And I can't make you choose Long as you're cool on knowing
You? re ? bout to blow a good thing
And I ain't making ultimatums
I'ma tell you like this verbatim And I'm tired and I'm tired, I'm tired
Of being your unofficial girl
And I'm tired, I'm tired of trying
I'm still your unofficial girl You gotta love me in the light and the dark
You gotta give me, give me all of your heart
I wanna be your official girl Said, I wanna, wanna, wanna, be your official girl
I wanna be your official girl
I wanna be your official girl, official girl, official girl I miss you, girl, I miss you, girl
I'ma make you my official girl My official girl
Cassie you can be my official girl
My official girl, yeah
Cassie you can be my official girl, yeah
