Angel of Mercy

Black Label Society

I woke alone today
For all the birds had flown
Inside this empty house
Which no longer feels like homeNo Angel of Mercy
Is gonna hear my call
No Angel of Mercy
To dry the tears that shall not fallI woke alone today
Amidst life's killing fields of war
Door of memories
Closed forevermore
No Angel of Mercy
Is gonna hear my call
No Angel of Mercy
To dry the tears that shall not fallNo Angel of Mercy
Is gonna hear my call
No Angel of Mercy
To dry the tears that shall not fall
No Angel of Mercy
Is gonna hear my call
No Angel of Mercy
To dry the tears that shall not fall
