

Bulletproof

Citizen Way

(Bulletproof) Hey!
(Bulletproof) Hey!
I used to live like I was under attack
Dodging arrows from my past
I had no hope for tomorrow
Felt so much pressure, yes, I thought I would crack
But now there's no looking back
I'm moving forward 'cause I know
I've got my armour now
No fear, no doubt can shoot me down, yeah
I've got my armour now
No fear, no doubt gonna shoot me
Down, down, down, down, down, down
Now I'm bulletproof because of You, because of You
And now I'm bulletproof because of You, because of You
Your love made a way, now I'm not afraid
No matter what the world may say or what they do
I am bulletproof because of You, because of You
I know You got this whole thing under control
My soul is untouchable because You've already won me
My victory is not in this flesh and bone
It's in the cross and I know nobody's taking it from me
I've got my armour now
No fear, no doubt can shoot me down, yeah
I've got my armour now
No fear, no doubt gonna shoot me
Down, down, down, down, down, down
Now I'm bulletproof because of You, because of You
And now I'm bulletproof because of You, because of You
Your love made a way, now I'm not afraid
No matter what the world may say or what they do
I am bulletproof because of You, because of You
And I don't have to fear no more, worry no more
I don't have to fear no more, worry no more
And I don't have to fear no more, worry no more
I don't have to fear no more, worry no more
Now I'm bulletproof because of You, because of You
And now I'm bulletproof because of You, because of You
Your love made a way, now I'm not afraid
No matter what the world may say or what they do
I am bulletproof because of You, because of You
And I don't have to fear no more, worry no more

I don't have to fear no more, worry no more
And I don't have to fear no more, worry no more
I don't have to fear no more, worry no more
