## What Do I Know?

## **Ed Sheeran**

Ain't got a soapbox I can stand upon But God gave me a stage, a guitar and a song

My daddy told me: "Son, don't you get involved in

Politics, religions or other people's quarrels"I'll paint the picture, let me set the scene I know when I have children, they will know what it means

And I'll pass on these things my family's given to me

Just love and understanding, positivityWe could change this whole world with a piano

Add a bass, some guitar, grab a beat and away we go

I'm just a boy with a one-man show

No university, no degree, but Lord knowsEverybody's talking about exponential growth

And the stock market crashing in their portfolios

While I'll be sitting here with a song that I wrote

Saying: "Love could change the world in a moment, but what do I know?"

Love can change the world in a moment, but what do I know?

Love can change the world in a momentThe revolution's coming, it's a minute away

I saw people marching in the streets today

You know we are made up of love and hate

But both of them are balanced on a razor bladeI'll paint the picture, let me set the scene

I know, I'm all for people following their dreams

Just remember life is more than fitting in your jeans

It's love and understanding, positivityWe could change this whole world with a piano

Add a bass, some guitar, grab a beat and away we go

I'm just a boy with a one-man show

No university, no degree, but Lord knowsEverybody's talking about exponential growth

And the stock market crashing in their portfolios

While I'll be sitting here with a song that I wrote

Saying: "Love could change the world in a moment, but what do I know?"

Love can change the world in a moment, but what do I know?

Love can change the world in a momentI'll paint the picture, let me set the scene

You know the future's in the hands of you and me

So let's all get together, we can all be free

Spread love and understanding, positivityWe could change this whole world with a piano

Add a bass, some guitar, grab a beat and away we go

I'm just a boy with a one-man show

No university, no degree, but Lord knows Everybody's talking about exponential growth

And the stock market crashing in their portfolios

While I'll be sitting here with a song that I wrote

Saying: "Love could change the world in a moment, but what do I know?"Love can change the world in a moment, but what do I know?

to the first thomas of the total the

Love can change the world in a moment, but what do I know?
