

Feel Invincible

Skillet

Target on my back, lone survivor lasts
They got me in their sights
No surrender, no, trigger fingers go
Living the dangerous life Everyday when I wake
I'm trying to get up
They're knocking me down
Chewing me up, spitting me out When I need to be saved
You're making me strong
You're making me stand
Never will fall, never will end Shot like a rocket up into the sky
Nothing can stop me tonight
You make me feel invincible
Earthquake, powerful
Just like a tidal wave
You make me brave You're my titanium
Fight song raising up
Like the roar of victory
In a stadium Who can touch me cause I'm
I'm made of fire
Who can stop me tonight
I'm hard wired You make me feel invincible
I feel, I feel it
Invincible
I feel, I feel it
Invincible
Here we go again, I will not give in
I've got a reason to fight
Every day we choose, we might win or lose
This is the dangerous life Everyday when I wake
They say that I'm gone
They say that they've won
The bell has been rung, it's over and done When I need to be saved
They're counting me out
But this is my round
You in my corner, look at me now Shot like a rocket up into the sky
Nothing can stop me tonight You make me feel invincible
Earthquake, powerful
Just like a tidal wave
You make me brave You're my titanium
Fight song raising up
Like the roar of victory
In a stadium Who can touch me cause I'm

I'm made of fire
Who can stop me tonight
I'm hard wired You make me feel invincible
I feel, I feel it
Invincible
I feel, I feel it
Invincible Invincible
You make me feel
Feel You make me feel invincible
You make me feel invincible Shot like a rocket up into the sky
Not gonna stop, invincible Feel invincible
Earthquake, powerful
Just like a tidal wave
You make me brave
You're my titanium
Fight song raising up
Like the roar of victory in a stadium You make me feel invincible
Earthquake, powerful
Just like a tidal wave
You make me brave You're my titanium
Fight song raising up
Like the roar of victory
In a stadium Who can touch me cause I'm
I'm made of fire
Who can stop me tonight
I'm hard wired You make me feel invincible
I feel, I feel it
Invincible
I feel, I feel it
Invincible
