

Angel

Simply Red

Gotta find me an angel
To fly away with me
Gotta find me an angel
Who set me free
My heart is without a home
I don't want to be alone
Gotta find me an angel
In my life Too long have I loved
So unattached within
So much that I learn
That I need somebody so
Still I'll just go on
Hoping that I'll find someone
Gotta find me an angel in my life
I know there must be someone, someone for me
I've lived too long without the love of someone
And there's no misery, like the misery I feel in me Gotta find me an angel in my life
She'll be there, now don't you worry
Keep looking now just keep looking
